- ISBN-13 : 9780545790352

Book Synopsis

For the first time, J.K. Rowling's beloved Harry Potter books will be presented in lavishly illustrated full-color editions. Kate Greenaway-award-winning artist Jim Kay has created over 100 stunning illustrations, making this deluxe format a perfect gift as much for a child being introduced to the series, as for the dedicated fan. Harry Potter has never been the star of a Quidditch team, scoring points while riding a broom far above the ground. He knows no spells, has never helped to hatch a dragon, and has never worn a cloak of invisibility. All he knows is a miserable life with the Dursleys, his horrible aunt and uncle, and their abominable son, Dudley -- a great big swollen spoiled bully. Harry's room is a tiny closet at the foot of the stairs, and he hasn't had a birthday party in eleven years. But all that is about to change when a mysterious letter arrives by owl messenger: a letter with an invitation to an incredible place that Harry -- and anyone who reads about him -- will find unforgettable.
