## Book Synopsis

If animals kissed like we kiss good night, Giraffe and his calf would stretch their necks high and kiss just beneath the top of the sky. In a cozy bedtime chat with her mom, a young girl wonders how animal families might say good night. Would Wolf and his pup "kiss and then HOWL"? Would Bear and her cub "kiss and then GROWL"? But what about Sloth and her baby? They move sooooo slooooooowwww . . . they're sure to be kissing from early evening until long after everyone else is fast asleep! With whimsical art and playful rhyming verse, this picture book is now in board book format for the first time, perfect for bedtime snuggles.
